Professional Experience

2023 - Current

Student Assistant - Media & Public Relations

Jade University of Applied Sciences, Wilhelmshaven

Responsible for video recording and editing (podcast & vodcast), conducting interviews, creating thumbnails, and supporting content production. Working within Subproject 4 of the 4N research consortium (Nordwesten Niedersachsen Nachhaltig Neu) focused on tourism and coastal governance in Northwestern Germany.

2024 - 2025

Intern - Digital Media & UX/UI Design

Kopf & Hand (creative & digital agency), Wilhelmshaven

Completed a full-time practical semester as part of university studies. Worked on UI/UX design, wireframes, and mockups using Figma and Photoshop. Created branding elements, corporate design manuals, and visual materials for print and web. Also supported content creation for social media, video editing, and the development of an internal inspiration hub.

2023

Student Assistant - International Office

Jade University of Applied Sciences, Wilhelmshaven

Assisted international students with administrative and cultural onboarding. Organized events, created posters and infographics

2019 - 2022

Language Mediator (Arabic/Kurdish - German)

District of Wittmund

Volunteered as a cultural and linguistic bridge for newly arrived migrants and refugees, facilitating communication with local institutions. Also supported the organization of intercultural events in collaboration with the municipality of Friedeburg and the church-based initiative "Ich schenke dir Zeit."

2019 - 2020

Intern - Educational Media & Visual Communication

Medienzentrum (educational media center), Aurich

Created posters, edited photos, supported school media projects, and contributed to short film productions.

Completed a 6-month, 480-hour internship as part of the Fachoberschule programm.

2020

Intern - Media Design (Digital & Print)

Mimax (media & design agency), Aurich

Focused on Adobe tools, layout production, and creative development. 5 months duration, with emphasis on design execution and photo/video work.

2016 (2 weeks)

Editorial Intern

Anzeiger für Harlingerland (regional newspaper), Wittmund

Gained first experience in editorial work and explored the daily routines of a regional newspaper. Wrote one short article and observed the workflows in journalism and media production.

Strengths

Strong intercultural communication skills through work with diverse communities

Reliable, organized, and able to manage multiple projects and deadlines

Creative mindset with a focus on visual storytelling and design

Confident and clear in verbal and written communication

High level of initiative, self-motivation, and responsibility

Collaborative team player with hands-on media experience
